

Arrows Academy

2024-2025 Honors Credit

High school courses other than electives have an honors option that can be opted into. The honors work is in addition to all other course work and is reflected on the transcript in title and weighting.

- Students can opt in within the first two weeks of a course.
- Honors placement must be approved by administration.
- Honors classes have an additional and non-refundable fee of \$50 per course.
- Students will not be awarded honors credit in a class where the final grade is below a C.
- Plagiarism will result in disqualifying a student from honors credit for that course.
- Students can drop without penalty before week 7. After week 6, there is an additional \$50 fee.

If a change needs to be made (either into or out of an honors course), e-mail registration@arrowsacademy.org

Math	Algebra 1	Geometry	Algebra 2	Pre-Calculus	
	Additional problems and/or lessons for homework. Project each semester.			N/A at Arrows; enroll in a dual enrollment class.
